

# ILM LEVEL 3 CERTIFICATE IN SITE WASTE MANAGEMENT PLANNING AND IMPLEMENTATION

ILM/L3SWMPI/0209

## Introducing the qualification

The ILM Level 3 Certificate in Site Waste Management Planning and Implementation aims to give practising or potential construction supervisors, foremen or managers the skills and knowledge required to develop and implement a successful Site Waste Management Plan (SWMP) for real environmental and business benefit.

The qualification is made up of four mandatory units. In the first two units learners build an understanding and awareness of site waste management including the legal requirements, duties and responsibilities of key site personnel and the importance of a SWMP.

Learners then write and implement their own SWMP in the final two units of this qualification.
